

## Barriers

- Lack of drive and support for our student wanting to go rural – the future of the rural and remote workforce!
- No pathway for Nursing and Allied Health Students to follow from undergraduate to post-graduate
- Lack of financial support for students to access rural placements i.e. food, travel & accommodation

- Small town girl moved to Townsville
- Studied Bachelor Nursing Science Majoring in Rural and Remote Health
- Townsville Nursing Representative for Club RHINO (Rural Health in Northern Outback)
- Drive to create Nursing and Allied health scholarships for students wanting to Go Rural – secured funding
