

WHY SHOULD A NURSE TALK TO NSW RURAL DOCTORS NETWORK

THE RURAL WORKFORCE AGENCY FOR NSW

PURPOSE

To improve health access for people living in remote, rural, regional, Aboriginal and disadvantaged communities in NSW and the ACT.

GOALS

Build and sustain a health workforce capable of delivering quality and safe care

Respond to the individual health workforce needs of communities

Contribute to effective rural health policy and evidence-based service delivery methodology

Continue the pursuit of organisational excellence

WHAT WE CAN OFFER

- Financial support for upskilling and professional development
- Find a new job or the right person to fill a vacancy in your organisation
- Information on workforce needs in your region
- Wellbeing support for you and your family
- Facilitate collaboration with like-minded organisations or people to develop solutions
- Support to innovate
- Relocation and orientation support to your new community.
